DISCUSSION

BadgerCare Plus (BC+) is a state/federal program that provides health coverage for Wisconsin families. *BadgerCare + Eligibility Handbook (BEH) §1.1.1.*¹

In order for an adult to be eligible for BadgerCare+, household income must be below 100% the Federal Poverty Level, and all taxable income is counted. *BEH §16.1* 100% of FPL for a household of two is currently \$1335 per month. *BEH §50.1*

In determining eligibility for BadgerCare+ under the newer "MAGI" rules, certain deductions from income are allowed:

16.3.2 Pre-Tax Deductions

Under MAGI rules, pre-tax deductions will be allowed if the payments are taken out of the individual's paycheck on a pre-tax basis. Examples include but are not limited to:

1. Health Insurance premium payments, including pre-tax premium payments for medical, dental or vision plans
2. Health Savings Account (including flexible spending accounts) contributions
3. Retirement contributions
4. Parking & Transit costs

¹ The BadgerCare+ Eligibility Handbook may be viewed on-line at:

<http://www.emhandbooks.wisconsin.gov/bcplus/bcplus.htm>

5. Child Care Savings Account contributions
6. Group Life Insurance premium payments

16.3.3 Tax Deductions

Under MAGI rules, monthly expenses related to the following tax deductions from page one of the IRS Form 1040 will be allowed as income deductions for the current year, even if the individual does not plan on filing taxes. If the expense is not incurred on a monthly basis, it will be prorated and counted as a monthly expense.

Most of these deductions are not common, and they do not include itemized tax deductions, like charitable contributions or mortgage interest.

In addition, a few deductions have caps, as noted in detail below. If an individual reports and verifies a monthly expense that is more than the monthly cap, the deduction will be the amount of the cap.

1. **Student Loan Interest** Interest on a loan taken to pay for school expenses for the following persons at the time the loan was taken out:

- His or her spouse;
- His or her child under age 19; or
- His or her child under age 24 who was a student, lived with the individual for more than half a year, did not provide more than half of his or her own support for that year, and did not earn more than \$3,900 during that year.

Do not count interest on a loan used for anything besides paying for education or if a relative or employer gave the loan.

This deduction is capped at a monthly amount of \$208.

2. **Higher Education Expenses** Includes tuition and amounts paid for books or fees, but only if those amounts are required to be paid to the institution as a condition of enrollment or attendance. This deduction may not be claimed for expenses that were paid with tax-free educational assistance. Grants and scholarships used for tuition and fees are generally non-taxable, therefore this deduction cannot be claimed for the portion of tuition and fees that were paid for with grants and scholarships. This is capped at a monthly amount of \$333.
3. **Self-employment Tax Deduction** Applies to individuals who are self-employed, who owe self-employment tax, and who are able to deduct a portion of the self-employment tax they pay. Only deduct the portion that the person can deduct on their tax return (as calculated on Schedule SE), not the entire amount of self-employment tax that is paid.
4. **Spousal Support, Alimony or Maintenance** The amount paid for court ordered spousal support, alimony or maintenance or payments under Section 71 for a current or prior spouse as a result of a legal separation or divorce. Do not deduct more than the court ordered amount. Do not allow any deduction if the court order designates the payments as being non-taxable.
5. **Teachers' Tax-Deductible Expenses** Applies to K-12 teachers who have up to \$250 in out-of-pocket work expenses (expenses not paid for by the employer). This is capped at a monthly amount of \$21.
6. **Self-employed SEP, Simple or Qualified Plan Contributions** Examples of these plans include:

- Simplified Employee Pension (SEP) Plan
 - Savings Incentive Match Plan For Employees (SIMPLE)
 - Qualified Plan Contributions
7. **Penalties for Early Withdrawal of Funds** Penalties to a bank or financial institution for withdrawing funds early from a savings account where money must be left in the account for a fixed period of time, such as a time saving account, certificate of deposit (CD) or an annuity.
 8. **Performing Artists Tax-deductible Expenses** Applies to performing artists who have out-of-pocket business expenses not paid by the employer and meet the following criteria:
 - Worked for at least two employers who each paid at least \$200;
 - Did not earn more than \$16,000 for his or her work in the current year; and
 - Out-of-pocket expenses were more than 10% of his or her earnings.
 9. **Military Reserve Members' Tax-deductible Expenses** Applies to travel expenses for members of the Armed Forces Reserve who travel more than 100 miles away from home to perform work for the Armed Forces Reserve.
 10. **Out-of-pocket Costs for a Job-related Move** Applies to individuals who paid out-of-pocket expenses for a job-related move and meets the following criteria:
 - The move must be for a job-related reason, such as starting a new job, and
 - The new job must be at least 50 miles farther from the individual's old home than the old home was from the individual's old job or must be at least 50 miles from the old home if the individual did not have a job before.
 11. **Loss from Sale of Business Property** Applies to self-employed individuals that had a loss from the sale or exchange of property that they owned for their business.
 12. **Individual Retirement Account (IRA) Contributions** Applies to individuals who had income from a job and made contributions to an individual retirement account (IRA). Also applies to self-employed individuals who made contributions to an IRA they set up themselves.
 13. **Fee-based Official Tax-deductible Expenses** Applies to individuals who are fee-based officials and have out-of-pocket business expenses. Examples of fee-based officials include chaplains, county commissioners, judges, justices of the peace, sheriffs, constables, registrars of deeds or building inspectors.
 14. **Domestic Production Activities Deduction** Applies to self-employed individuals who led the production of things like property, electricity, natural gas, or potable water, as long as these things were produced in the United States. This also applies to individuals who invented or created software, recordings, or films in the United States.

Note: This deduction is not common.

15. **Allowable Write-in Expenses** These deductions include:
 - Contributions to Archer MSAs
 - Deductions attributable to rents and royalties
 - Certain deductions of life tenants and income beneficiaries of property
 - Jury duty pay given to the employer because the juror was paid a salary during duty

- Reforestation expenses
- Costs involving discrimination suits
- Attorney fees relating to awards to whistleblowers
- Contributions to section 501(c)(18)(D) pension plans.
- Contributions by certain chaplains to section 403(b) plans

BEH §16.3

For BadgerCare+ purposes, estimated amounts using the 4.3 weekly pay period or 2.15 bi-weekly pay period multipliers are NOT used. *Process Help §16.4.1*; see also *Ops Memo 01-01*

The Petitioner's income works out as follows:

58 hour per bi-weekly pay period x \$10.09 per hour = \$585.22 per pay check
\$585.22 x 2 pay periods per month = \$1170.44 average monthly income.

BEH §16.6 indicates that if income fluctuates, income should be averaged. Petitioner's wife's income does indeed fluctuate. Over a three month period her hours fluctuated between 59 and 77 hours per pay period. Thus, it is reasonable to average her income.

Petitioner's wife's income works out as follows:

68 + 69 + 73 + 59 + 67 + 77 ÷ 6 paychecks = 68.83 average hours per pay period
68.83 hours x \$9.00 per hour = \$619.47 per pay check
\$619.47 x 2 pay periods per month = \$1238.94 average monthly income.

So, the gross household income works out to be:

\$1170.44 Petitioner's Income + \$1238.94 Wife's Income = \$2409.38

According to Petitioner's testimony and his paystubs, none of the deductions listed above are applicable to his case. Thus, his MAGI (Modified Adjusted Gross Income) is \$2409.38.

Petitioner's income of \$2409.38 is over the \$1335 / 100% FPL income limit. As such, he is not eligible for BadgerCare+ benefits.

The Petitioner should note that it is possible he will be determined ineligible for assistance on the Marketplace, since the Marketplace calculates income differently than the BadgerCare+ program does. If that happens, he would be eligible for Gap Coverage under *BEH §16.1.4*.

The Petitioner can apply for Marketplace assistance at <https://www.healthcare.gov/> or he can call 1-800-318-2596.

CONCLUSIONS OF LAW

Waukesha County Health and Human Services correctly ended the Petitioner's BadgerCare+ benefits, effective June 1, 2016.

THEREFORE, it is

ORDERED

That the petition is dismissed.
